

VISION AND MISSION

VISION:

To be essentially the leading service provider in the rental and services of oilfield equipment and related services to the energy sector and mining industries in Australasia.

MISSION:

To provide a high-quality service, responsiveness, flexibility and viable solutions to our customers and key stakeholders with outmost care without injuries and impacts on health, safety, and environment.

VALUES:

As an organisation

- We are committed to showing respect to our social and physical environment.
- We will act with uncompromising honesty and integrity in everything we do.
- We will ensure that everything that we do is done safely – no “ifs” no “buts”
- We value and develop our asset, our people.
- We will strive for service excellence and continuous improvement for the rental and service of our various fleets we provide to our customers.
- We will seek to apply the highest standard and always comply with our legal obligations and applicable laws to which we operate.
- We are committed to our common goals and objectives.
